Programming of web pages – lab 3

Please prepare a website template using HTML and CSS technologies. Please follow the steps below.

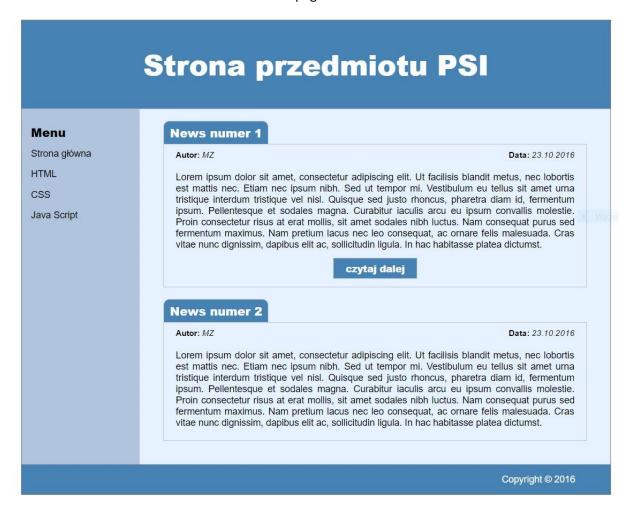

1. Please create the page structure using "DIV" containers (<div></div> html tags). Please set a background color of the containers to check how they are arranged on the page.

2. Please add the following borders to the containesr:

Nagłówek 1	
MENU	Główna treść
Stopka	

3. Please add other html elements to the page:

4. Please change the appearance of the menu items and buttons when they are in the hover state.

Strona przedmiotu PSI
